Hardy Perennial Flower Plants. We grow the kinds that are winter hardy here. We dig the plants with clumps of earth for orders that are called for and picked up at our nursery, thus the plants can safely be transplanted even late in spring and in summer or when in bloom. For orders shipped out from our Nurseries the roots will be packed in damp moss.

**ANNUAL FLOWER PLANTS:** We grow a wide variety of annual flower plants and have them to offer at a very reasonable price at the time that they can be safely planted out-of-doors. We use Burpee's seeds to grow these annual plants.

**VEGETABLE PLANTS:** Tomato, Cabbage, etc., in season.

**GUARANTEE:** We guarantee all stock furnished by us to be first class. State inspected, free from injurious insect pests, and true to name. Stock found to be otherwise will, upon proper proof, be replaced free of charge. We do not guarantee plants to grow after planting, there are many causes for failure over which we have no control that we can assume no responsibility after stock is delivered. Claims for unsatisfactory stock will be entertained only when made within 10 days after arrival.

**RISK:** All stock will be delivered to carrier line in good condition and our responsibility ceases upon receipt of bill of lading. Claims for damage, loss or delay in transit should be filed with carrier upon arrival.
